

What is Teda Consultants

Teda Safety Consultants established in 2020, specializes in conducting refresher training programs and arranged On the Job Training especially for those who completed certain training programs with TVET schools as well as other Registered Training Organization (RTO) or Grade 10 & 12 certificate or equivalent or working class or Certificate in Occupational Health & Safety Management from TSC.

Teda Safety Consultants proved filling the gap ensured no one is left behind for possible employment as long as participants do have a chance to expose their skills and qualifications required. In fact, most Training organization does not arrange On Job Training for their trainees, TSC indeed was proven competitive with a very high positive impact.

FULLTIME COURSES ON OFFER

Refer course programs offered by Teda Safety Consultants, the duration and fees for each course program. TSC is also flexible in delivering short course training for interest customers, so duration of training and fees are adjusted to suit training needs.
